

Buddy Brumley's Story

Buddy Brumley was a visionary builder with over 40 years of experience, known for his leadership, integrity, and dedication to the construction industry. Specializing in complex healthcare projects, Buddy set a high standard for excellence, consistently delivering on-time and within budget while maintaining a strong focus on safety and quality.

A champion of Lean Construction, Buddy excelled in his craft and freely shared his knowledge with the broader construction community. He co-authored a book on Lean principles, appeared on industry podcasts, and mentored countless builders, always driven to improve the industry he loved.

Buddy's legacy is defined by his kindness, mentorship, and unwavering commitment to teamwork and innovation. He didn't just build projects—he built people, inspiring everyone around him to strive for excellence. His impact continues to shape the construction world today.
